

ROSEVILLE'S PREMIER RUNNING EVENT SPONSORSHIP OPPORTUNITIES

To Benefit the M.I.N.D. Institute for Autism

The Miner's Ravine Fun Run was created to provide a premier running event to the Roseville community. Each year we aim to provide an extremely fun, competitive, and entertaining event that runners of ALL abilities will be motivated and inspired to participate in. If the beautiful course does not capture you, the music and excitement hopefully will! The event reveals the hidden gem that is the Miner's Ravine and benefits the **M.I.N.D. Institute for Autism**. Join us for a fun run through the beautiful Miner's Ravine with your community!

We offer three wonderful events:

5K 3.1 mile race for runners and walkers of all abilities starting in the Roseville Automall, winding through the Miner's Ravine and finishing at Sculpture Park.

10K 6.2 mile race for runners and walkers of all abilities starting in the Roseville Automall, winding through the Miner's Ravine and finishing at Sculpture Park.

Kid's Run (Ages 6-11) .75 mile race around the traffic-controlled Roseville Automall Loop. Parents are welcome to accompany the child throughout the run. **All runners will get a medal upon finishing!**

The M.I.N.D. Institute is a collaborative international research center, committed to the awareness, understanding, prevention, care and cure of neurodevelopmental disorders such as Autism.
